

We request that you:

1. Contact your current or previous dental office and request that they send X-rays to our office by email. We require a current full mouth series or panoramic X-rays for our office to provide proper diagnosis and treatment.
2. Take a photo of the front and back of your insurance card and email it to us so that we may research your information and obtain a general breakdown of benefits as a courtesy for you. You MUST also present your state issued ID.
3. Have prepared at your initial records appointment and/or email us a list of your medications, supplements, lab results, Primary Care Provider's contact information, and any other necessary information that you believe is important with respect to your care.

If you will be using dental insurance, we will submit your claims for you electronically. Payment for services will be expected at the time of service.

New patient(s) are required to fill out and return new patient paperwork 48 hours prior to your appointment via EMAIL

Note: There may be a holistic fee of \$275 assessed to your account. This is dependent upon the provider, the appointment duration, and the diagnosis.

Note: Your visit may include a Cone Beam Computed Tomography also known as CBCT or 3D image of the head, neck and oral cavity. The fee is \$440 and it encompasses taking the image, interpretation by a Radiologist and Doctor's Harris and Guba, treatment planning and reporting findings.

We accept cash, check, visa, master-card, discover, american express, HSA cards, flexible spending accounts and CareCredit.

All e-mail correspondence should be sent to scheduling@midm.io. Please let me know if you have any questions. Thank you.
